

LONE STAR PRAESIDIUM

TACTICAL SECURITY SOLUTIONS

Mission: Provide elite-level protection through disciplined officers, proactive enforcement, and tactical awareness. Our approach is rooted in deterrence, visibility, and rapid response.

LEVEL II SECURITY OFFICERS (UNARMED)

Designed for controlled environments requiring a strong visible presence. Level II officers focus on deterrence, access control, and maintaining order through professional engagement.

CORE CAPABILITIES
• Access Control & Entry Screening
• Foot & Vehicle Patrol Operations
• Incident Documentation (CAD/Report Writing)
• Policy Enforcement & Site Compliance
• Customer Service with Command Presence

LEVEL III COMMISSIONED OFFICERS (ARMED)

For elevated threat environments requiring a tactical response capability. Level III officers are trained, armed, and prepared to respond to critical incidents and high-risk situations.

TACTICAL CAPABILITIES
• Armed Security & High-Visibility Deterrence
• Rapid Emergency Response
• Threat Identification & Intervention
• Coordination with Law Enforcement
• Advanced Incident Reporting & Documentation

Operational Standards: • Professional appearance (Black/OD Green Uniform Standard) • Body camera usage when applicable • Daily activity reports and incident documentation • Compliance with Texas DPS Private Security Regulations (TOPS) All services are tailored to client-specific operational needs.
